PROPOSAL 1: ELECTION OF TRUSTEES

Declassification of the Board of Trustees; Opt-out of Section 3-803 of the Maryland General Corporation Law ("MGCL")

On November 12, 2013, in order to protect shareholder value in response to an unsolicited takeover proposal that the Board of Trustees had determined was inadequate and contrary to the best interests of the Company and its shareholders, the Company, by resolution of the Board, opted in to Section 3-803 of the MGCL to classify the Board into three classes having staggered three-year terms. The Company announced that the classification was solely intended to protect shareholder value and was not intended to be a permanent feature of the Company's corporate governance. At that time, the Company also announced that it was committed to take action within two years to declassify the Board of Trustees. By January 2015, the Company's share price had reached \$31.60 per share, approximately 47.0% higher than the unsolicited offer price made 14 months earlier in November 2013.

On April 9, 2015, in accordance with its previously announced commitment to take action within two years to declassify the Board of Trustees, the Board adopted a resolution, and the Company filed articles supplementary to the Company's declaration of trust with the Maryland State Department of Assessments and Taxation, to (i) cause the Company to no longer be subject to Section 3-803 of the MGCL and (ii) provide for the declassification of the Board. The resolution and articles provide for annual elections to be phased in over two years, commencing with the Annual Meeting and fully implemented by the 2017 annual meeting of shareholders. The election to declassify the Board did not shorten the term of any current trustee.

As a result of the election to declassify the Board, the three trustees who were in Class II (with a term expiring in 2015) have been nominated for election at the Annual Meeting to serve as trustees for one year (i.e., until the 2016 annual meeting of shareholders and until their successors are duly elected and qualified). The Company expects that those three trustees and the three trustees whose terms as Class III trustees expire at the 2016 annual meeting will be nominated for election at the 2016 annual meeting of shareholders to serve as trustees for one year (i.e., until the 2017 annual meeting of shareholders and until their successors are duly elected and qualified). Similarly, and to complete the declassification process, the Company expects that all nine trustees will be nominated for election at the 2017 annual meeting of shareholders to serve as trustees for a one-year term (i.e., until the 2018 annual meeting of shareholders and until their successors are duly elected and qualified).

Nominees for Election at the Annual Meeting

The terms of office for our three Class II trustees, C. Gerald Goldsmith, Rolf E. Ruhfus and Joel F. Zemans, will expire at the Annual Meeting. The Nominating and Corporate Governance Committee recommended for nomination, and the Board has nominated, all three of these trustees to serve a one-year term expiring at the 2016 annual meeting of shareholders and until their successors are duly elected and qualified.

Unless a shareholder specifies otherwise, or does not return the enclosed proxy, each shareholder's common shares represented by the enclosed proxy will be voted FOR the election of the nominees to serve as trustees until the 2016 annual meeting and until their successors are elected and qualify. The nominees have indicated their willingness to serve if elected. While not anticipated, if any nominee shall become unavailable or unwilling to serve as a trustee for any reason, the persons named as proxies on the proxy card may vote for any substitute nominee proposed by the Board of Trustees.

The Board of Trustees unanimously recommends that you vote FOR each of the trustee nominees described in this Proposal 1.

The following table and biographical descriptions set forth information with respect to the three trustee nominees for election at the Annual Meeting whose terms of office will expire at our 2016 annual meeting of shareholders, and the Class I and Class III continuing trustees, whose terms of office will expire at our 2017 and 2016 annual meetings of shareholders, respectively.

Trustee Independence

Our Corporate Governance Guidelines, which are available on our website at www.chathamlodgingtrust.com, require that a majority of our trustees be independent. Our Board of Trustees has adopted the categorical standards prescribed by the New York Stock Exchange (the "NYSE") to assist the Board of Trustees in evaluating the independence of each trustee. The categorical standards describe various types of relationships that could potentially exist between a trustee and our Company and sets thresholds at which such relationships would be deemed to be material. Provided that no relationship or transaction exists that would disqualify a trustee under the categorical standards and as the Board of Trustees determines, taking into account all facts and circumstances, that no other material relationship between our Company and the trustee exists of a

type not specifically mentioned in the categorical standards, the Board of Trustees will deem such person to be independent. A trustee shall not be independent if he or she satisfies any one or more of the following criteria:

- a trustee who is, or who has been within the last three years, an employee of our Company, or whose immediate family member is, or has been within the last three years, an executive officer of the Company;
- a trustee who has received, or who has an immediate family member serving as an executive officer who has received, during any twelve-month period within the last three years more than \$120,000 in direct compensation from our Company (excluding trustee and committee fees and pension/other forms of deferred compensation for prior service that is not contingent in any way on continued service);
- (i) a trustee who is or whose immediate family member is a current partner of a firm that is our Company's internal or external auditor; (ii) a trustee who is a current employee of such a firm; (iii) a trustee who has an immediate family member who is a current employee of such a firm and personally works on the Company's audit; or (iv) a trustee who was or whose immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our Company's audit within that time;
- a trustee who is or has been within the last three years, or whose immediate family member is or has been within the last three years, employed as an executive officer of another company where any of our Company's present executives at the same time serves or served on that company's compensation committee; or
- a trustee who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, our Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues (as reported for the last completed fiscal year).

Under these criteria, our Board of Trustees has determined that the following members of our Board of Trustees are independent: Miles Berger, Thomas J. Crocker, Jack P. DeBoer, Glen R. Gilbert, C. Gerald Goldsmith, Robert Perlmutter, Rolf E. Ruhfus and Joel F. Zemans. We presently have nine trustees, including these eight independent trustees.

Committees of the Board

Our Board of Trustees has established an Audit Committee, Compensation Committee and a Nominating and Corporate Governance Committee, and has adopted charters for each of these committees which are available on our website at www.chathamlodgingtrust.com. Pursuant to these charters, the composition of each committee is required to comply with the listing standards and other rules and regulations of the NYSE, as amended or modified from time to time. Each of these committees is comprised exclusively of independent trustees, as defined by the listing standards of the NYSE then in effect. In 2014, the Audit Committee met seven times, the Compensation Committee met three times, and the Nominating and Corporate Governance Committee met three times.

Audit Committee

Our Audit Committee consists of Messrs. Gilbert (Chair), Berger and Zemans. The Audit Committee makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls.

Mr. Gilbert, an independent trustee, is the chair of our Audit Committee and our Board of Trustees has determined that he is an “audit committee financial expert” as that term is defined in the rules and regulations of the Securities and Exchange Commission (“SEC”).

Compensation Committee

Our Compensation Committee consists of Messrs. Goldsmith (Chair), Berger and Zemans. The Compensation Committee determines compensation for our executive officers and trustees, administers our Equity Incentive Plan, produces an annual report on executive compensation for inclusion in our Annual Meeting proxy statement and publishes an annual committee report for our shareholders.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Messrs. Crocker (Chair) and Goldsmith. The Nominating and Corporate Governance Committee is responsible for seeking, considering and recommending to the Board qualified candidates for election as trustees and recommending a slate of nominees for election as trustees at the Annual Meeting. It also periodically prepares and submits to the Board for adoption the committee’s selection criteria for trustee nominees. As provided in our Corporate Governance Guidelines (which are available on our website at www.chathamlodgingtrust.com), the Nominating and Corporate Governance Committee annually reviews the board with respect to diversity, age and skills of its members. It reviews and makes recommendations on matters involving general operation of the Board and our corporate governance, and it annually recommends to the Board nominees for each committee of the Board. In addition, the committee annually facilitates the assessment of the Board of Trustees’ performance as a whole and of the committees and individual trustees and reports thereon to the board. Shareholders may make recommendations of potential trustee nominees to the Nominating and Corporate Governance Committee, Chatham Lodging Trust, 50 Cocoanut Row, Suite 211, Palm Beach, FL 33480. Such communications should include information both on the recommending shareholder and the recommended trustee nominee so the Nominating and Corporate Governance Committee may have adequate information for evaluation by our Board or our Nominating and Corporate Governance Committee. Nominees recommended by shareholders will be evaluated in the same manner as those recommended by the Nominating and Corporate Governance Committee.

Shareholder Advisory Resolutions

During our 2014 Annual Meeting of Shareholders, shareholders voted on an advisory, non-binding resolution to approve executive compensation (“Say on Pay”) with approximately 96% of votes cast at the 2014 Annual Meeting in favor of executive compensation. After the 2011 Annual Meeting, the Company announced its decision to hold the Say on Pay vote on an annual basis unless and until circumstances warrant a vote on a different timetable.

Code of Business Conduct

We have adopted a corporate code of ethics relating to the conduct of our business by our employees, officers and trustees. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business, including those relating to doing business outside the United States. Specifically, our code of ethics prohibits payments, directly or indirectly, to any foreign official seeking to influence such official or otherwise obtain an improper advantage for our business. A copy of this Code of Business Conduct may be obtained at no charge by sending a written request to the Corporate Secretary, 50 Cocoanut Row, Suite 211, Palm Beach, FL 33480. The code of conduct is available on our website at www.chathamlodgingtrust.com. If the Company makes any amendments to this code (other than technical, administrative or non-substantive amendments) or grants any waivers, including implicit waivers, from this code to The Chief Executive Officer, Chief Financial Officer or Controller, we will disclose (on our website or in a Current Report on Form 8-K filed with the SEC) the nature of the amendment or waiver, its effective date and to whom it applies.

Policy on Voting Regarding Trustees

In 2014, our Board of Trustees adopted a policy on voting regarding trustees that requires, at any meeting of shareholders at which members of the Board of Trustees are to be elected by the shareholders in an uncontested election, any nominee for trustee who receives a greater number of votes “withheld” from his or her election than votes “for” election will submit to the Board, no later than two weeks after the certification of the voting results, a written offer to resign from the Board of Trustees. An uncontested election is one in which the number of individuals who have been nominated for election as a trustee is equal to, or less than, the number of trustees to be elected.

The Nominating and Corporate Governance Committee will consider the resignation offer and, within 60 days after the certification of the voting results, recommend to the Board of Trustees whether to accept or reject the resignation offer. In determining its recommendation to the Board, the Nominating and Corporate Governance Committee will consider all factors it deems relevant, which may include (i) any stated reason or reasons why shareholders cast “withheld” votes for the trustee, (ii) the qualifications of the trustee and (iii) whether the trustee’s resignation from the Board of Trustees would be in our best interest and the best interests of our shareholders. The Nominating and Corporate Governance Committee may also consider alternatives to acceptance or rejection of the resignation offer as the Nominating and Corporate Governance Committee members deem appropriate, which may include (i) continued service by the trustee until the next relevant meeting of shareholders, (ii) an undertaking to seek a replacement trustee, or (iii) rejecting the resignation offer coupled with committing to seek to address the underlying cause or causes of the majority-withheld vote.

The Board of Trustees will act on the Nominating and Corporate Governance Committee’s recommendation no later than 90 days after the certification of the voting results. The Board of Trustees will consider the information, factors and alternatives considered by the Nominating and Corporate Governance Committee and additional information, factors and alternatives the Board of Trustees deems relevant. The recommendation of the Nominating and Corporate Governance Committee will not be binding on the Board of Trustees.

Any trustee who offers to resign as provided above shall not participate in the Nominating and Corporate Governance Committee’s or the Board of Trustees’ consideration of whether to accept his or her resignation offer.

If a trustee’s resignation offer is accepted by the Board of Trustees, the Nominating and Corporate Governance Committee will recommend to the Board of Trustees whether to fill the vacancy created by such resignation or to reduce the number of trustees constituting the Board of Trustees. The Board of Trustees will determine the treatment of any compensation due or payable to the resigning trustee.

If a majority of the members of the Nominating and Corporate Governance Committee were required to offer their resignations as described above, the trustees whom the Board of Trustees has affirmatively determined to be independent in accordance with the applicable listing standards of the NYSE, and who were not required to offer their resignations, will appoint a special committee of the Board of Trustees to consider the resignation offers and whether to accept the resignation offers, as otherwise described above.

We will disclose publicly the Board of Trustees’ decision, the process by which the decision was made and, if applicable, the reasons for rejecting a resignation offer, in a Current Report on Form 8-K filed with the SEC.

Execution of the Company’s Business Plan

In 2014, the Company followed up a very successful 2013 with outstanding results. The Company generated a total shareholder return of 47% after generating a total shareholder return of 40% in 2013. The Company’s equity market capitalization increased 87% to \$985 million. The Company was named to the MSCI US REIT Index (RMZ) which, according to MSCI Inc., represents about 99% of the U.S. REIT universe. We realized a tax-free gain of approximately \$80 million or approximately \$3 per share on the recapitalization of the Innkeepers joint venture with our new joint venture partner, NorthStar Realty Finance Corp. (“NorthStar”). The Company grew hotel investments by approximately \$500 million.

Operating results were also strong in 2014. The Company increased revenue per available room (“RevPAR”) by 8.2% and increased earnings before interest, taxes, depreciation and amortization (“EBITDA”) by 64% year-over-year compared to the year ended 2013.

We acquired nine hotels for approximately \$500 million during 2014, or nearly 70% growth from the previous year, including the acquisition of four Residence Inn by Marriott hotels in the Silicon Valley market in California. The nine hotels acquired in 2014 are:

- 231-room Residence Inn by Marriott Silicon Valley #1 Sunnyvale, California
- 248-room Residence Inn by Marriott Silicon Valley #2 Sunnyvale, California
- 160-room Residence Inn by Marriott San Mateo, California
- 112-room Residence Inn by Marriott Mountain View, California
- 194-room Hyatt Place Denver/Cherry Creek, Colorado
- 179-room Hilton Garden Inn Burlington, Massachusetts
- 176-room Courtyard by Marriott Dallas (Addison), Texas

- 120-room Residence Inn by Marriott West University Houston, Texas
- 100-room Courtyard by Marriott West University Houston, Texas

In January 2014, we marketed for sale the former Innkeepers USA joint venture acquired with Cerberus Capital Management. In June 2014, we acquired the joint venture with affiliates of NorthStar. As a result of the sale, the Company earned a significant promoted interest, realizing a gain of approximately \$80 million on our original \$37 million investment in 2011. Additionally, we were able to roll our gain tax-free into the new joint venture with NorthStar and into the acquisition of the four aforementioned Silicon Valley hotels.

In November 2014, the Company formed another joint venture with affiliates of NorthStar to acquire a 48-hotel portfolio with 6,976 rooms from Inland American Real Estate Trust, Inc. (“Inland American”) and, in the process, we acquired from Inland American four additional hotels with 575 rooms for approximately \$107 million.

In the first quarter of 2014, the Company implemented a \$50 million at-the-market equity offering plan (the “ATM Plan”). During 2014, the Company issued 880,820 shares under the ATM Plan at a weighted-average price per share of \$23.54.

Also in the first quarter of 2014, the Company instituted a \$25 million dividend reinvestment plan and direct share purchase plan (the “DRSSP”) to provide shareholders with a simple and convenient method of reinvesting cash dividends and purchasing common shares. During 2014, the Company issued 2,083 shares under the DRSSP at a weighted-average price per share of \$24.38.

Compensation Committee Interlocks and Insider Participation

None of the trustees serving on our Compensation Committee is or has ever been one of our officers or employees, nor have any of our trustees serving on our Compensation Committee entered into any transaction with us with a value in excess of \$120,000. None of our executive officers, and no trustee serving on our Compensation Committee, serve as a member of the board of trustees (or board of directors) or compensation committee of any entity that has one or more executive officers serving on our Board of Trustees.

Trustee Compensation

For 2014 service to the Company, each of our independent trustees was paid a trustee’s fee of \$75,000 per year. The trustees who serve as our lead trustee, Audit Committee chairman, Compensation Committee chairman and Nominating and Corporate Governance Committee chairman were paid an additional cash fee of \$10,000, \$10,000, \$7,500 and \$5,000, respectively. Trustees’ fees, other than the additional fees paid for service as the lead trustee or chairman of one of our committees, are paid one-half in cash and one-half in our common shares, although each trustee may elect to receive up to all of such fees in the form of our common shares. In January 2014, common share grants were made to each independent trustee for the share component of their 2013 annual compensation. Trustees who are employees receive no additional compensation as trustees. In addition, we reimburse all trustees for reasonable out-of-pocket expenses incurred in connection with their services on the Board of Trustees. In light of the performance of the Company, its rapid growth, and the competition among public companies seeking trustees or directors who are as qualified and experienced as the members of the Board of Trustees, the Compensation Committee recommended and the Board approved an increase in 2015 of the amounts we pay to our trustees for their service to us. Effective as of January 1, 2015, each of our independent trustees will be paid an annual trustee’s fee of \$100,000 per year, and trustees who serve as our lead trustee, Audit Committee Chairman, Compensation Committee Chairman, and Nominating and Corporate Governance Committee Chairman will be paid an additional cash fee of \$10,000, \$10,000, \$7,500 and \$5,000, respectively.

The following table sets forth information with respect to the compensation of our independent trustees for 2014.

Our compensation policies and practices for our independent trustees are described above under "Trustee Compensation".

Shareholder Communications to the Board

Shareholders may contact an individual trustee, the Board as a group, or a specified Board committee or group, including the non-employee trustees as a group, at the following address: Corporate Secretary, Chatham Lodging Trust, 50 Coconut Row, Suite 211, Palm Beach, FL 33480 Attn: Board of Trustees. The Company will receive and process communications before forwarding them to the addressee. Trustees generally will not be forwarded shareholder communications that are primarily commercial in nature, relate to improper or irrelevant topics, or request general information about the Company.

Meeting Attendance

During the Company's last fiscal year, the Company's Board of Trustees met ten times. All members of the Board attended 75% or more of the Board meetings and meetings of the committees on which he served either in person or by conference call. As set forth in our Corporate Governance Guidelines, trustees are invited and encouraged to attend meetings of shareholders. Eight of our trustees attended last year's annual meeting of shareholders in person and the other trustee attended telephonically.

Leadership Structure and Risk Oversight

Management is responsible for the day-to-day management of risks we face. The Board of Trustees has overall responsibility for overseeing risk management with a focus on the more significant risks facing the Company. Our Audit Committee oversees risk policies and processes related to our financial statements, financial reporting processes and liquidity risks, our Nominating and Corporate Governance Committee oversees corporate governance risks and our Compensation Committee oversees risks relating to remuneration of our officers and employees. The Compensation Committee does not believe that the compensation programs which are in place give rise to any risk that is reasonably likely to have a material adverse effect on us.

At each quarterly meeting of the Audit Committee, a portion of the meeting is devoted to reviewing material credit risks, our loan portfolio, status of foreclosure and similar proceedings, status of the properties in our real estate portfolio and other matters which might have a material adverse impact on current or future operations, and, as required, the Audit Committee reviews risks arising from related party transactions. In addition, at each meeting of the Audit Committee, our Chief Financial Officer, as well as the independent accounting firm reviewing or auditing, as the case may be, our financial statements, reports to the committee with respect to compliance by our employees with our internal control policies in order to ascertain that no failures of a material nature have occurred. This process assists the Audit Committee in overseeing the risks related to our financial statements and the financial reporting process. At each meeting of the Board of Trustees, a portion of the meeting is dedicated to reviewing and discussing significant risk issues reviewed by the Audit Committee.

Mr. Fisher serves as both our Chairman and our Chief Executive Officer. Mr. Berger has been appointed lead independent trustee. We believe that it is in the best interests of our shareholders for Mr. Fisher to serve as both our Chairman and our Chief Executive Officer because of his unique insight into the Company as well as the lodging industry and his excellent reputation among institutional investors. We also believe that appointing an independent trustee to serve as lead independent trustee, to preside over executive sessions of the Board and providing the opportunity for all trustees to add items to the agenda of meetings of the Board and its committees mitigates the risk that having our Chief Executive Officer also serve as our Chairman may cause management to have undue influence on our Board of Trustees. As lead independent trustee, Mr. Berger presides at all meetings of the Board of Trustees at which the Chairman of the Board is not present, has the authority to call meetings of the independent trustees and has such other duties as the Board of Trustees may determine from time to time.

The Board of Trustees takes an active and informed role in the Company's risk management policies and strategies. At least annually, the Company's executive officers who are responsible for the Company's day-to-day risk management practices present to the Board of Trustees a comprehensive report on the material risks to the Company, including credit risk, liquidity risk and operational risk. At that time, the management team also reviews with the Board of Trustees the Company's risk mitigation policies and strategies specific to each risk that is identified. If necessary, the Board of Trustees may delegate specific risk management tasks to management or a committee. Throughout the year, management monitors the Company's risk profile and updates the Board of Trustees as new material risks are identified or the aspects of a risk previously presented to the Board of Trustees materially change. The Audit Committee also actively monitors risks to the Company throughout the year, and with the aid of management, identifies any additional risks that need to be elevated for the full Board's consideration.

EXECUTIVE COMPENSATION COMPENSATION DISCUSSION AND ANALYSIS

We pay base salaries and annual bonuses and make grants of awards under our Equity Incentive Plan to certain of our officers. Awards under our Equity Incentive Plan are granted to provide performance and retention incentives to these individuals based on factors such as the desire to retain such officers’ services over the long-term, aligning such officers’ interest with those of our shareholders, incentivizing such officers over the near-, medium- and long-term, and rewarding such officers for exceptional performance. In addition, our Compensation Committee may determine to make awards to new executive officers to help attract them to the Company.

Our compensation program for our named executive officers, Messrs. Fisher, Willis and Craven, consists of four key elements:

- Cash compensation, in the form of base salaries and annual cash bonus awards;
- Long-term incentives, in the form of restricted share awards and awards of long-term incentive plan (“LTIP”) units that vest over time;
- Health and welfare benefits; and
- Severance arrangements under the executives’ employment agreements.

Elements of Named Executive Officer Compensation

Annual base salary. Base salary is designed to compensate our named executive officers throughout each year. In evaluating base salaries for our named executive officers each year, the Compensation Committee considers each executive’s role and responsibility, unique skills, future potential with the Company, salary levels for similar positions at peer companies, internal pay equity and such other factors as the Compensation Committee may determine to be relevant. For 2014 and 2015, the Compensation Committee engaged an independent compensation consultant, FTI Consulting (the “Compensation Consultant”), to prepare a report recommending compensation levels as compared with a peer group of 13 companies, primarily hotel REITs that are recognized as leading hotel REITs with similar strategies and investors and whose equity market capitalization were similar to the Company’s. Messrs. Fisher, Willis and Craven received annual base salaries for 2014 of \$500,000, \$335,000 and \$335,000, respectively. Based on the recommendations of the Compensation

Consultant and the successful execution of the Company's business plan, the Compensation Committee recommended, and the full Board approved, increased 2015 annual base salaries for Messrs. Fisher, Willis and Craven to \$600,000, \$375,000 and \$345,000, respectively. Furthermore, at our 2014 Annual Meeting, our shareholders were provided the opportunity to cast votes to approve a non-binding advisory resolution on executive compensation. This advisory vote was approved by 96% of shares voted and supported the Compensation Committee's decisions with respect to 2013 and 2014 executive compensation. The companies in each peer group are:

⁽¹⁾ Implied equity market capitalization is the market capitalization of common equity, assuming the conversion of all convertible security equity into common equity. Amounts as reported by SNL Financial as of November 28, 2014.

Annual cash bonus. Annual cash bonuses are designed to provide incentives to our named executive officers at a variable level of compensation based on such individual's performance. In connection with our annual cash bonus program, our Compensation Committee will determine annual performance criteria that are flexible and that change with the needs of our business. Each year, our annual cash bonus plan will be designed to reward the achievement of specific, pre-established financial and operational objectives. For 2014, the Compensation Committee recommended, and the Board approved, annual cash bonuses for Messrs. Fisher, Willis and Craven of \$1,000,000, \$400,000 and \$315,000, respectively.

Restricted Share Awards. We have provided, and expect to provide in the future, awards pursuant to our Equity Incentive Plan.

For 2014, the Compensation Consultant recommended awarding the Company's named executive officers with a balanced equity compensation grant of (1) 50% of the award in the form of performance-based restricted common shares that would vest ratably over a three-year performance period conditioned upon the Company achieving a total shareholder return of 8% per year and (2) 50% of the award in the form of time-based restricted common shares that vest ratably over a three-year period. Based upon the Compensation Consultant's recommendations, the Compensation Committee approved 2014 restricted common share awards (i.e., performance-based and time-based) for Messrs. Fisher, Willis and Craven of \$1,200,000, \$300,000 and \$500,000, respectively.

Time-based equity awards are designed to foster equity ownership by our named executive officers in the Company and to align their interests with the long-term interests of our shareholders while also attracting and

retaining key talent. Performance-based equity awards are tied to the performance of the Company and are designed to provide these key executives, who are primarily responsible for our growth and operations, with incentives to focus on long-term goals and enhancing shareholder value.

In determining future awards under our Equity Incentive Plan, our Compensation Committee will take into account, among other things, the Company's overall financial performance, the contributions of each of our named executive officers, the long-term equity incentive compensation of officers in similar positions at peer companies, internal pay equity and such other factors as the Compensation Committee may determine to be relevant.

Retirement savings opportunities. We have established and plan to maintain a retirement savings plan under section 401(k) of the Internal Revenue Code of 1986, as amended (the "Code"). All eligible employees are able to participate in our 401(k) Retirement Savings Plan, or 401(k) Plan, which allows such employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) Plan. Our 401(k) Plan is intended to help our employees save a portion of their cash compensation for retirement in a tax efficient manner. We match employees' annual contributions, within prescribed limits, dollar for dollar up to 3% of each employee's compensation contributed and 50% of each employee's contributions above such 3% threshold, up to 5% of such employee's compensation. The employee matching contributions vest immediately to the employee.

Health and welfare benefits. We provide a competitive benefits package to all full-time employees, which includes health and welfare benefits, such as medical, dental, disability insurance and life insurance benefits. The plans under which these benefits are offered do not discriminate in scope, terms or operation in favor of officers and trustees and are available to all full-time employees.

Post-termination pay. As described more fully under "Employment Arrangements" and "Potential Payments upon Termination or Change in Control" below, we have entered into employment agreements with each of our named executive officers that provide the officers with compensation if they are terminated without "cause," they leave the Company with "good reason" (each as defined in the applicable employment agreement) or their employment terminates in certain circumstances following a change in control. We believe these common protections promote our ability to attract and retain management and assure us that our executive officers will continue to be dedicated and available to provide objective advice and counsel notwithstanding the possibility, threat or occurrence of a change in their circumstances or in the control of the Company.

REPORT OF THE COMPENSATION COMMITTEE

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussions with management, we recommended to the Board of Trustees that the Compensation Discussion and Analysis be included in this proxy statement.

- (1) Any bonus awards are determined at the sole discretion of our Compensation Committee and our Board of Trustees based on our implementation of our business plan and such other factors as the Compensation Committee and the Board may deem appropriate. Amounts for each year were awarded early in the following year.
- (2) Reflects restricted share awards in 2012, 2013 and 2014 to Messrs. Fisher, Willis and Craven with half of the award to be payable in restricted shares and half of the award to be paid in the form of performance-based restricted shares. For the 2012 grants, which were awarded in February 2013, the time-based shares granted were 30,688 to Mr. Fisher, 10,229 to Mr. Willis and 12,275 to Mr. Craven. The 2012 awards also included performance-based awards valued at \$375,000 to Mr. Fisher, \$125,000 to Mr. Willis, and \$150,000 to Mr. Craven, however, those amounts have been discounted by 16.5% above to reflect the inherent risk of not attaining the necessary performance objectives for the shares to vest. For the 2013 grants, which were awarded in January 2014, the time-based shares granted were 23,555 to Mr. Fisher, 7,852 to Mr. Willis and 9,422 to Mr. Craven. The 2013 awards also included performance based awards valued at \$500,000 to Mr. Fisher, \$150,000 to Mr. Willis, and \$175,000 to Mr. Craven, however, those amounts have been discounted by 16.5% above to reflect the inherent risk of not attaining the necessary performance objectives for the shares to vest. This column does not include grants of time-based shares made in January 2015 for 2014 service which were granted as follows: the time-based shares were granted 19,275 to Mr. Fisher, 4,821 to Mr. Willis and 8,031 to Mr. Craven, nor does it include grants of performance-based shares at the same time in the same amounts. All time-based restricted common share awards vest ratably over the first three anniversaries of the date of grant. Amounts in this column represent the aggregate grant date fair value of the awards made. Amounts were calculated in accordance with Accounting Standards Codification Topic 718, *Compensation — Stock Compensation*, or ASC Topic 718.
- (3) Amounts reported in this column include life, health, and dental premiums paid by the Company on behalf of the named executive officers, and matching contributions to the 401(k) accounts of Messrs. Fisher, Willis and Craven as follows: \$10,000 each in 2012, \$10,200 each in 2013, and \$10,400 each in 2014.

Grants of Plan-Based Awards

The following table sets forth information with respect to plan-based awards granted in 2014 to the named executive officers. The dollar amounts indicated under “Grant Date Fair Value” is the full fair value of each restricted share award computed in accordance with FASB Accounting Standards Codification Topic 718, which, with respect to the value of performance-based restricted share awards, is based on the probable outcome of the performance conditions as of the grant date of the award.

The following table sets forth information with respect to outstanding equity awards held by the named executive officers as of December 31, 2014.

- (1) Reflects the grant of LTIP unit awards to the executive under our Equity Incentive Plan upon completion of our IPO or, in the case of Mr. Craven, in connection with the commencement of his employment. The awards of LTIP units vest ratably on each of the first five anniversaries of the date of grant: April 23, 2011, April 23, 2012, April 23, 2013, April 23, 2014 and April 23, 2015, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012, September 9, 2013, September 9, 2014 and September 9, 2015, in the case of Mr. Craven. Unless and until LTIP units reach parity with common shares, the value of LTIP units can only be estimated. However, for purposes of calculating the market value of LTIP units and restricted common shares that have not vested, the market value per unvested LTIP unit and restricted common share is assumed to be \$28.97, the closing market price per common share at the end of the last completed fiscal year, December 31, 2014. This table reflects that the LTIP units for Mr. Craven reached parity with our common shares during 2013 and the LTIP units for Messrs. Fisher and Willis reached parity in 2014.
- (2) Reflects 2011 time-based restricted common share grants, issued on February 23, 2012, which vest ratably on each of the first three anniversaries of the date of grant: February 23, 2013, February 23, 2014, and February 23, 2015; 2012 share grants, issued on January 29, 2013, which vest ratably on each of the first three anniversaries of the date of grant: January 29, 2014, January 29, 2015, and January 29, 2016; and 2013 share grants, issued on January 31, 2014, which vest ratably on each of the first three anniversaries of the date of grant: January 31, 2015, January 31, 2016, and January 31, 2017.
- (3) Reflects 2011 performance-based restricted common share grants, issued on February 23, 2012, which vest ratably on each of the first three anniversaries of the date of grant: February 23, 2013, February 23, 2014, and February 23, 2015; 2012 share grants, issued on January 29, 2013, which vest ratably on each of the first three anniversaries of the date of grant: January 29, 2014, January 29, 2015, and January 29, 2016; and 2013 share grants, issued on January 31, 2014, which vest ratably on each of the first three anniversaries of the date of grant: January 31, 2015, January 31, 2016, and January 31, 2017. This table further assumes that conditions will be met so that performance-based shares will vest and thus are valued at \$28.97 as well.

Option Exercises and Shares Vested

The following table summarizes vesting in 2014 of time-based and performance-based restricted common shares and LTIP units previously granted to our named executive officers. The Company has not granted option awards to its named executive officers.

<u>Name</u>	<u>Share/Unit Awards</u>	
	<u>Number of Shares Acquired on Vesting⁽¹⁾ (#)</u>	<u>Value Realized on Vesting (\$)⁽²⁾</u>
Jeffrey H. Fisher	39,788 ⁽³⁾	\$ 814,858
	36,162 ⁽⁴⁾	\$1,047,613
Peter Willis	6,517 ⁽³⁾	\$ 133,468
	12,054 ⁽⁴⁾	\$ 349,204
Dennis M. Craven	5,250 ⁽³⁾	\$ 121,170
	14,464 ⁽⁴⁾	\$ 419,022

(1) Amounts include vested restricted common shares and LTIP units.

(2) The LTIP units for Messrs. Fisher, Willis and Craven are at parity with our common shares, and thus the market value per vested LTIP unit was assumed in the above to be the closing price per share of our common shares on the vesting date. For Messrs. Fisher and Willis, the closing price per share of our common shares on April 23, 2014 was \$20.48, and for Mr. Craven, the closing price per share of our common shares on September 9, 2014 was \$28.97. For purposes of calculating the market value of restricted common shares that have vested, the market value per vested restricted common share is assumed to be \$28.97, the closing market price per common share at the end of the last completed fiscal year, December 31, 2014. This table assumes that all performance metrics were attained to cause the vesting of the performance-based shares.

(3) Reflects the vesting of one-fifth of the LTIP unit awards to the executive under our Equity Incentive Plan upon completion of our IPO or, in the case of Mr. Craven, in connection with the commencement of his employment. The awards of LTIP units vest ratably on each of the first five anniversaries of the date of grant: April 23, 2011, April 23, 2012, April 23, 2013, April 23, 2014 and April 23, 2015, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012, September 9, 2013, September 9, 2014 and September 9, 2015, in the case of Mr. Craven.

(4) Reflects the vesting of time-based and performance-based restricted common shares issued on February 23, 2012, which vest ratably on each of the first three anniversaries of the date of grant: February 23, 2013, February 23, 2014, and February 23, 2015, and restricted common share grants, issued on January 29, 2013, which vest ratably on each of the first three anniversaries of the date of grant: January 29, 2014, January 29, 2015, and January 29, 2016.

Employment Agreements

Jeffrey H. Fisher. Our employment agreement with Mr. Fisher, which we entered into in April 2010, had an initial term of three years and has renewed, and will continue to be renewed, for one-year terms thereafter unless terminated by written notice delivered at least 30 days before the end of the then-current term. Mr. Fisher's annual base salary was \$500,000 for 2014, subject to increase in the discretion of the Board or its Compensation Committee. For 2015, the Compensation Committee ratified an increased annual base salary to \$600,000.

Peter Willis and Dennis M. Craven. Our employment agreements with Mr. Willis and Mr. Craven, which we entered into in April and September 2010, respectively, had initial terms of three years and renewed, and will continue to renew, for one-year terms thereafter unless terminated by written notice delivered at least 30 days before the end of the then-current term. Mr. Willis and Mr. Craven each received 2014 annual base salaries of \$335,000, subject to increase in the discretion of the Board or the Compensation Committee. The Compensation Committee approved increased 2015 annual base salaries of \$345,000 and \$375,000 to Mr. Willis and Mr. Craven, respectively. The employment agreements entitle each of Mr. Willis and Mr. Craven to fringe benefits substantially similar to those afforded to Mr. Fisher, as described above.

Under the employment agreements, Messrs. Fisher, Willis, and Craven are eligible to earn an annual cash bonus at the discretion of the Compensation Committee or to the extent that prescribed individual and corporate goals established by the Committee are achieved.

Their employment agreements entitle them to customary fringe benefits, including vacation and the right to participate in any other benefits or plans in which other executive-level employees participate (including but not limited to retirement, pension, profit-sharing, insurance (including life insurance) or hospital plans).

Each of the employment agreements provides for certain payments in the event that employment ends upon termination by us for “cause,” resignation without “good reason” (as defined below), death or disability or any reason other than a termination by us without “cause” or his resignation with “good reason.” The agreements define “cause” as (1) a failure to perform a material duty or a material breach of an obligation set forth in the applicable employment agreement or a breach of a material and written policy other than by reason of mental or physical illness or injury, (2) a breach of the officer’s fiduciary duties, (3) conduct that demonstrably and materially injures us monetarily or otherwise or (4) a conviction of, or plea of nolo contendere to, a felony or crime involving moral turpitude or fraud or dishonesty involving our assets, and that in each case is not cured, to the Board’s reasonable satisfaction, within 30 days after written notice. In any such event, each of the employment agreements provides for the payment of any earned but unpaid compensation up to the date of termination and any benefits due under the terms of any of our employee benefit plans.

The employment agreements provide for certain severance payments in the event that employment ends upon termination by us without “cause” or resignation for “good reason.” The agreement defines “good reason” as (1) our material breach of the terms of the applicable employment agreement or a direction from the Board that the officer act or refrain from acting in a manner unlawful or contrary to a material and written policy, (2) a material diminution in duties, functions and responsibilities without his consent or our preventing the officer from fulfilling or exercising his material duties, functions and responsibilities without his consent, (3) a material reduction in base salary or annual bonus opportunity or (4) a requirement that the officer relocate more than 50 miles from the current location of his principal office without his consent, in each case provided that the employee has given written notice to the Board within 30 days after he knows of the circumstances constituting “good reason,” the circumstances constituting “good reason” are not cured within 30 days of such notice and the applicable officer resigns within 30 days after the expiration of the cure period. In any such event, the applicable officer is entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. If the officer signs a general release of claims, then any outstanding options, restricted shares and other equity awards shall be vested and exercisable as of the date of termination and outstanding options shall remain exercisable thereafter until their stated expiration date as if employment had not terminated. The officer shall also be entitled to receive, subject to signing a general release of claims, an amount equal to three times his base salary in effect at the time of termination, an amount equal to three times the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to three times the annual premium or cost paid by us for the officer’s health, dental, vision, disability and life insurance coverage in effect on his termination date.

Mr. Fisher is the majority shareholder of IHM, a hotel management company that currently manages 33 of our wholly owned hotels and 81 of the hotels owned by our two joint ventures with affiliates of NorthStar, and that we may engage to manage certain additional hotels we acquire in the future pursuant to management agreements with our taxable REIT subsidiaries, or TRS Lessees. In order to permit IHM to qualify as an “eligible independent contractor” as required by applicable tax law, Mr. Fisher’s employment agreement permits him to be the principal owner and serve as a director of entities engaged in the hotel management business, and to devote business time to those companies, so long as (1) such activities do not interfere with the performance of his duties to us and (2) he does not serve as an officer or employee of, or receive compensation for service as a director of, any such entity providing hotel management services to us or our affiliates.

Potential Payments upon Termination or Change of Control

The following table and accompanying footnotes reflect the estimated potential amounts payable to Messrs. Fisher, Willis and Craven under their employment agreements and the Company's compensation and benefit plans and arrangements in the event the executive's employment is terminated under various scenarios, including involuntary termination without cause, voluntary or involuntary termination with cause, voluntary resignation with good reason, involuntary or good reason termination in connection with a change in control and termination due to death and disability. The amounts shown below are estimates of the amounts that would be paid to Messrs. Fisher, Willis and Craven upon termination of their employment assuming that such termination was effective on December 31, 2014 and also reflect the amendments made in January 2015 to the employment agreements of Messrs. Willis and Craven. Actual amounts payable will depend upon compensation levels at the time of termination, the amount of future equity awards and other factors, and will likely be greater than amounts shown in this table.

- (1) The amounts shown in the table do not include accrued salary, earned but unpaid bonuses, accrued but unused vacation pay or the distribution of benefits from any tax-qualified retirement or 401(k) plan. Those amounts are payable to Messrs. Fisher, Willis and Craven upon any termination of employment, including an involuntary termination with cause and a resignation without good reason.
- (2) Amounts in this row are calculated in accordance with the applicable employment agreement as described more fully under "— Employment Agreements" and take into account the amendments made to the employment agreements of Messrs. Willis and Craven in January 2015.
- (3) A termination of employment due to death or disability entitles Messrs. Fisher, Willis and Craven to benefits under the Company's life insurance and disability insurance plans. In addition, outstanding restricted share awards and LTIP unit awards immediately vest upon a termination of employment due to death or disability.
- (4) The amounts shown in this column are estimates of the annual premiums payable by the Company for health care, insurance and other benefits expected to be provided to Messrs. Fisher, Willis and Craven.

- (5) Pursuant to SEC rules, for purposes of this table, the market value per common share and LTIP unit is assumed to be \$28.97, the closing market price per common share on December 31, 2014.
- (6) The employment agreements with Messrs. Fisher, Willis and Craven do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Code. The employment agreements instead provide that the severance and any other payments or benefits that are treated as parachute payments under the Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executive will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive). The amounts shown in the table assume that Messrs. Fisher, Willis and Craven will receive the total or unreduced benefits.

Equity Compensation Plan Information

Certain Relationships and Related Transactions

As of March 31, 2015, 33 of our wholly owned hotels and 81 hotels owned by our two joint ventures with affiliates of NorthStar are managed by IHM, which is majority owned by Mr. Fisher. The management agreements with IHM have an initial term of five years and may be renewed for two five-year periods at the option of IHM. The IHM management agreements provide for early termination upon sale of any IHM managed hotel for no termination fee, with six months' advance notice. The IHM management agreements can also be terminated for cause. Additionally, if hotel operating performance does not meet specified levels we will be able to terminate any IHM management agreements at no cost. Management agreements with IHM provide for a base management fee of up to 3% of the hotel's gross revenues, an accounting fee of between \$1,200 and \$1,500 per month per hotel, a revenue management fee of \$1,000 per month, per hotel and, if certain financial thresholds are met or exceeded, an incentive management fee equal to 10% of the hotel's net operating income less fixed costs, base management fees and a specified return threshold. The incentive management fee is capped at 1% of gross hotel revenues. For the year ended December 31, 2014, we paid IHM an aggregate of approximately \$5.8 million in management, accounting and revenue management fees and another \$161,000 in incentive management fees pursuant to these management agreements.

Because Mr. Fisher is our Chairman, President and Chief Executive Officer and controls IHM, conflicts of interest exist between Mr. Fisher and us regarding:

- enforcement of the terms of any management agreements between us and IHM;
- whether and on what terms these management agreements will be renewed upon expiration;

- whether and on what terms management contracts will be awarded to IHM; and
- whether hotel properties will be sold.

Under the hotel management agreements, IHM generally is responsible for complying with our various franchise agreements, subject to us making sufficient funding available. Conflicts of interest exist between us and Mr. Fisher regarding IHM's compliance with franchise agreements, which could result in:

- the termination of those agreements and related substantial penalties; or
- other actions or failures to act by IHM that could result in liability to us or our TRS Lessees.

We have shared our corporate information technology infrastructure with IHM since January 1, 2011 and also with unconsolidated real estate entities. We and IHM have agreed to a cost-sharing arrangement under which we bear 24% of the total costs of operating and maintaining the IT function (including depreciation taken by us on the IT infrastructure).

Certain Company employees are shared with unconsolidated real estate entities. Reimbursed costs from unconsolidated real estate entities, comprised of corporate payroll costs of the Innkeepers JV, NewINK JV and Inland JV and an entity which is 2.5% owned by Mr. Fisher, where the Company is the employer, were \$2.0 million and \$1.6 million for the years ended December 31, 2014 and 2013, respectively. These costs are offset by the cost reimbursements from unconsolidated real estate entities included in revenues.

During 2014, Mr. Fisher entered into joint venture agreement with NorthStar by which Mr. Fisher acquired a 2.5% non-voting interest in Castleblack Owner Holding, LLC ("Castleblack").

IHM has obtained an employment practices liability insurance policy that covers our employees. We reimbursed IHM for our pro rata portion of the premium for this policy. In addition, IHM is required to maintain a health benefit plan in which our employees participate. Our reimbursement of IHM is based on the number of our employees participating in the plan and the coverage and benefit levels selected by those employees.

Conflicts may arise between us and IHM with respect to whether certain expenditures are classified as capital expenditures, which are capitalized by us and do not immediately affect earnings, or repairs and maintenance, which are expensed as incurred and therefore reduce the amount available to be earned by IHM as incentive management fees.

From time to time in connection with certain acquisitions and dispositions or other transactions, we may engage a brokerage firm by which Mr. Fisher's daughter is employed.

Section 16(a) Beneficial Ownership Reporting Compliance

Under federal securities laws, the Company's trustees and executive officers, and any persons beneficially owning more than 10% of a registered class of the Company's equity securities, are required to report their ownership of common shares and any changes in that ownership to the SEC. These persons are also required by SEC regulations to furnish the Company with copies of these reports. Specific due dates for these reports have been established, and the Company is required to disclose in this proxy statement any failure to timely file such reports by those due dates during the 2014 fiscal year. AUDIT COMMITTEE REPORT

The Audit Committee is composed of three trustees who are independent as determined by the Board of Trustees, in its business judgment, under the rules of the New York Stock Exchange and the Securities and

Exchange Commission. The Audit Committee operates under a written charter adopted by the Board of Trustees. The members of the Audit Committee are Glen Gilbert (Chair), Miles Berger and Joel F. Zemans. The Audit Committee appointed, and the Board of Trustees ratified the selection of the Company's independent registered certified public accounting firm, PricewaterhouseCoopers LLP.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes, to monitor the Company's compliance with legal requirements and to monitor the independence and performance of the Company's auditors. The Audit Committee is also responsible for monitoring the Company's procedures for compliance with the rules for taxation as a real estate investment trust ("REIT") under Sections 856-860 of the Code.

The Audit Committee has met with management and PricewaterhouseCoopers LLP. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and PricewaterhouseCoopers LLP, both together and separately. The Audit Committee reviewed and discussed with management and PricewaterhouseCoopers LLP the audited consolidated financial statements for the year ended December 31, 2014, management's assessment of the effectiveness of the Company's internal control over financial reporting and PricewaterhouseCoopers LLP's evaluation of the effectiveness of the Company's internal control over financial reporting. The Audit Committee has discussed with PricewaterhouseCoopers LLP the matters that are required to be discussed by the Public Company Accounting Oversight Board ("PCAOB") Auditing Standard No. 16 (Communication with Audit Committees).

The Audit Committee received from PricewaterhouseCoopers LLP the written disclosures and the letter required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence), and has discussed with PricewaterhouseCoopers LLP the issue of its independence from the Company. The Audit Committee also concluded that PricewaterhouseCoopers LLP's provision of services to the Company and its affiliates is compatible with PricewaterhouseCoopers LLP's independence.

Based upon the Audit Committee's discussion with management and PricewaterhouseCoopers LLP and the Audit Committee's review of the audited consolidated financial statements, the representations of management and the written disclosures and the letter of PricewaterhouseCoopers LLP to the Audit Committee, the Audit Committee recommended that the Board of Trustees include the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 filed with the Securities and Exchange Commission.

The Audit Committee charter provides that:

- the Committee is directly responsible for the appointment, compensation, and oversight of the work of the Company's independent auditor, that the independent auditor reports directly to the Committee, and that the Committee retains and may terminate the services of the independent auditor;
- the Committee must approve in advance all audit engagement fees and terms, and all audit and non-audit services to be provided by the independent auditor;
- the Committee must establish procedures for the handling of complaints regarding accounting, internal controls, or auditing matters and for the confidential, anonymous submission of concerns by employees regarding accounting and auditing matters;
- the Committee must establish policies and procedures for the engagement of the outside auditor to perform non-audit services, including pre-approval of all non-audit services;

- the Committee will review and discuss the adequacy and effectiveness of “disclosure controls and procedures” in addition to other internal controls already reviewed by the Committee; and
- the Committee has the authority and funding to engage accountants, lawyers and other advisers and experts as it deems necessary.

The Committee’s responsibilities include obtaining and reviewing, at least annually, a report by the outside auditor describing the outside auditor’s internal quality-control procedures, any issues raised by the most recent internal quality-control review, or peer review, of the outside auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to independent audits carried out by the outside auditor, and any steps taken to deal with any such issues; and the Committee’s responsibilities include establishing clear hiring policies for employees or former employees of the Company’s outside auditor. A copy of the Audit Committee charter is posted on the Company’s website at www.chathamlodgingtrust.com. The above summary of the Audit Committee charter is qualified by reference to the complete charter, which should be read in its entirety.

The Audit Committee recommended, and the Board approved, a procedure for the confidential submission, receipt, retention and treatment of concerns and complaints regarding the Company’s accounting or auditing practices. The Company has contracted with an independent company to establish and maintain, and has widely disseminated the existence and availability of, a seven-day-a-week, twenty-four-hour-a-day toll-free telephone number and website for complaints and concerns regarding accounting or auditing practices. The Company’s General Counsel will promptly conduct an initial screening of any such complaint or concern to assess its legitimacy and significance and determine whether to (i) report the complaint or concern to the Chairman of the Audit Committee, (ii) investigate further, or (iii) close the file. Further investigation would involve consulting appropriate senior management not implicated in the complaint or concern and may involve consulting the Company’s outside counsel and independent auditors. Information on the complaint or concern will be maintained in a confidential file for at least seven years. The Company shall take all appropriate steps to prevent retaliation against any individual because that person submitted a complaint or concern. The General Counsel shall provide to the Audit Committee a quarterly report of all complaints and concerns received and their status. Where a complaint or concern (i) relates to accounting, internal accounting controls or auditing matters or (ii) alleges or otherwise suggests the existence of (a) material inaccuracies in financial reporting, (b) fraud or other intentional misconduct with respect to accounting, auditing or internal control over financial reporting, or (c) material non-compliance with applicable law, the General Counsel shall promptly report the complaint or concern directly to the Chairman of the Audit Committee. Other complaints and concerns will generally be reported to the Audit Committee at the next regularly scheduled Audit Committee meeting. The Audit Committee will from time to time report to the Board the status of pending investigations and a summary of complaints and concerns during the reporting period.

The foregoing has been furnished by the members of the Audit Committee for the year ended December 31, 2014.

**PROPOSAL 2:
INDEPENDENT PUBLIC ACCOUNTANTS**

PricewaterhouseCoopers LLP has served as independent registered certified public accounting firm for the Company and its subsidiaries for the year ended December 31, 2014. The Audit Committee has selected PricewaterhouseCoopers LLP as independent auditor for the year ending December 31, 2015, until and unless changed by action of the Audit Committee of the Board of Trustees. Although shareholder approval of the appointment is not required, the Company is asking the shareholders to ratify the appointment. If the shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee based on all relevant facts and circumstances at the time. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will have an opportunity to make a statement to shareholders if he or she desires to do so and will be available to respond to appropriate questions.

The Audit Committee’s current policy on approval of non-audit services by the independent auditor is to approve at the beginning of each year the scope and fees for any non-audit services for the year that have been identified, and to approve in advance the scope and fees for any additional non-audit services as the need for such services arise. According to PricewaterhouseCoopers LLP, only full-time permanent employees of PricewaterhouseCoopers LLP worked on the Company’s audit in 2014.

The following chart sets forth the amounts billed to the Company by PricewaterhouseCoopers LLP with respect to services provided in 2014 and 2013:

<u>Type</u>	<u>Amount</u>	
	2014	2013
Audit Fees ⁽¹⁾	\$ 721,800	\$ 892,000
Audit-Related Fees ⁽²⁾	\$ 209,000	\$ 345,000
Tax Fees ⁽³⁾	\$ 155,344	\$ 164,900
All Other Fees ⁽⁴⁾	\$ 451,800	\$ 1,800
	\$1,537,944	\$1,453,700

- (1) “Audit Fees” consist of fees and expenses billed for professional services rendered for the audit of the financial statements and services that are normally provided by PricewaterhouseCoopers LLP in connection with statutory and regulatory filings or engagements, including the audit of the effectiveness of internal control over financial reporting. Audit Fees include fees for professional services rendered in connection with quarterly and annual financial statements and fees and expenses related to the issuance of consents and comfort letters by PricewaterhouseCoopers LLP related to our filings with the SEC.
- (2) “Audit-Related Fees” consist of fees and expenses for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements that are not “Audit Fees,” including fees for the audits of the Company’s acquired hotels.
- (3) “Tax Fees” consist of fees and related expenses billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance and tax planning and structuring.
- (4) “All Other Fees” consist of fees and expenses for products and services that are not “Audit Fees,” “Audit-Related Fees” or “Tax Fees.” In 2014, “Other Fees” included fees related to the evaluation of the two joint venture acquisitions with NorthStar as well as fees related to the audit of the Company’s unconsolidated real estate entities.

Vote Required

The affirmative vote of a majority of the votes cast on this proposal will constitute ratification of the appointment of PricewaterhouseCoopers LLP.

The Board of Trustees unanimously recommends that you vote FOR Proposal 2.

**PROPOSAL 3:
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Company is providing shareholders with an advisory (non-binding) vote on compensation programs for our named executive officers (sometimes referred to as “say on pay”). Accordingly, you may vote on the following resolution at the 2015 Annual Meeting:

“Resolved, that the shareholders approve, on an advisory basis, the compensation of the company’s named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure in this Proxy Statement.”

This vote is nonbinding. The Board and the Compensation Committee, which is comprised of independent trustees, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under “Compensation Discussion and Analysis” our compensation programs are designed to motivate our executives to create and sustain a successful company. We believe that our compensation program, with its balance of short-term incentives (including cash bonus awards and performance conditions for awards of restricted shares) and long-term incentives (including equity awards that vest over up to five years) reward sustained performance that is aligned with long-term shareholder interests. Shareholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure.

The Board of Trustees unanimously recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure.

Neither the Board of Trustees nor management intends to bring before the Annual Meeting any business other than the matters referred to in the Notice of Meeting and this Proxy Statement.
